ENGINE PARTS

Our engine parts are manufactured using premium quality materials and precision technology to ensure high performance, durability and long engine life.

GASKETS

High quality gaskets for perfect sealing and leak proof performance.

- ✔ Heat & pressure resistant
- ✔ Leak proof
- ✔ Long lasting durability

MOQ: 100 PCS

CYLINDER BLOCK

Precision manufactured for better compression and longer engine life.

- ✔ High strength material
- ✔ Wear & corrosion resistant
- ✔ Dimensional accuracy

MOQ: 50 PCS

PISTON KIT

High performance piston kit for optimal engine efficiency and power.

- ✔ High strength & lightweight
- ✔ Excellent heat resistance
- ✔ Smooth performance

MOQ: 50 SETS

VALVE

Heat resistant valves for extended performance and durability.

- ✔ Heat & wear resistant
- ✔ High durability
- ✔ Precision finished

MOQ: 100 PCS

CAM SHAFT

Precision engineered cam shaft for smooth engine operation and timing.

- ✔ High precision manufacturing
- ✔ Wear resistant
- ✔ Enhanced engine efficiency

MOQ: 50 PCS

ROCKER ARM

High strength rocker arm for better control and performance.

- ✔ High strength material
- ✔ Durable & reliable
- ✔ Smooth operation

MOQ: 100 PCS

ENGINE BEARINGS

High performance bearings for smooth rotation and reduced friction.

- ✔ Low friction
- ✔ High load capacity
- ✔ Long service life

MOQ: 50 SETS

OIL SEAL

Premium oil seals for leak proof performance and longer life.

- ✔ Oil & heat resistant
- ✔ Leak proof
- ✔ Durable material

MOQ: 100 PCS

BRAKE & CONTROL PARTS

Our brake & control parts are designed for maximum safety, reliable performance and long service life. Manufactured with precision and tested for durability.

BRAKE SHOES

Premium quality brake shoes for superior braking performance and safety.

- ✔ High friction material
- ✔ Heat resistant
- ✔ Long service life

MOQ: 50 SETS

BRAKE CABLE

Strong & durable brake cables for smooth and safe braking.

- ✔ Tensile strength
- ✔ Corrosion resistant
- ✔ Smooth operation

MOQ: 100 PCS

CLUTCH CABLE

High quality clutch cables for smooth clutch operation and longer life.

- ✔ Flexible & durable
- ✔ High tensile wire
- ✔ Precision fit

MOQ: 100 PCS

BRAKE LEVER

Ergonomic design for better grip and control.

- ✔ Strong & durable
- ✔ Corrosion resistant
- ✔ Premium finish

MOQ: 100 PCS

CLUTCH LEVER

Strong, reliable and durable for long term use.

- ✔ High strength material
- ✔ Smooth operation
- ✔ Excellent finish

MOQ: 100 PCS

ACCELERATOR CABLE

High quality accelerator cables for precise throttle control.

- ✔ Flexible & durable
- ✔ Corrosion resistant
- ✔ Smooth performance

MOQ: 100 PCS

HAND LEVER

Sturdy and durable hand lever for smooth operation.

- ✔ High strength
- ✔ Wear resistant
- ✔ Long lasting

MOQ: 50 PCS

MASTER CYLINDER

High quality master cylinder for efficient braking performance.

- ✔ Leak proof
- ✔ Heat & pressure resistant
- ✔ Reliable performance

MOQ: 25 PCS

SAFETY YOU CAN TRUST.
QUALITY YOU CAN RELY ON.

PREMIUM QUALITY

Top grade materials for better performance and safety.

PRECISE MANUFACTURING

Advanced equipment for accurate and reliable parts.

TESTED FOR SAFETY

Strict quality control and performance testing.

ON-TIME DELIVERY

Timely processing and delivery across the globe.

CLUTCH PARTS

Our clutch parts are engineered for smooth engagement, high performance and long service life. Manufactured from premium grade materials and tested for durability.

CLUTCH DISC

High quality clutch disc for smooth power transmission and longer life.

- ✔ Heat resistant
- ✔ High friction material
- ✔ Smooth engagement

MOQ: 50 PCS

PRESSURE PLATE

Precision engineered pressure plate for optimal clutch performance.

- ✔ High strength material
- ✔ Uniform pressure
- ✔ Long lasting durability

MOQ: 25 PCS

CLUTCH COVER

Durable clutch cover for better clamping force and reliability.

- ✔ Heavy duty construction
- ✔ Corrosion resistant
- ✔ Excellent performance

MOQ: 25 PCS

CLUTCH RELEASE BEARING

Smooth and noise-free operation for better clutch performance.

- ✔ Low friction
- ✔ High load capacity
- ✔ Long service life

MOQ: 50 PCS

CLUTCH HUB

Strong and durable clutch hub for reliable power transfer.

- ✔ High strength
- ✔ Wear resistant
- ✔ Precision fit

MOQ: 50 PCS

CLUTCH SPRING SET

High tension springs for better clutch performance.

- ✔ High tensile strength
- ✔ Heat treated
- ✔ Long durability

MOQ: 100 SETS

CLUTCH PLATE

Precision clutch plate for smooth and efficient operation.

- ✔ High strength steel
- ✔ Wear resistant
- ✔ Perfect fit

MOQ: 50 PCS

CLUTCH WEIGHT SET

Balanced clutch weights for better pickup and performance.

- ✔ Precisely balanced
- ✔ Wear resistant
- ✔ Improves performance

MOQ: 100 SETS

BUILT FOR
SMOOTH PERFORMANCE.

PREMIUM MATERIALS

Top grade raw materials for long life.

ACCURATE ENGINEERING

Precision manufacturing for perfect fit and smooth operation.

HIGH DURABILITY

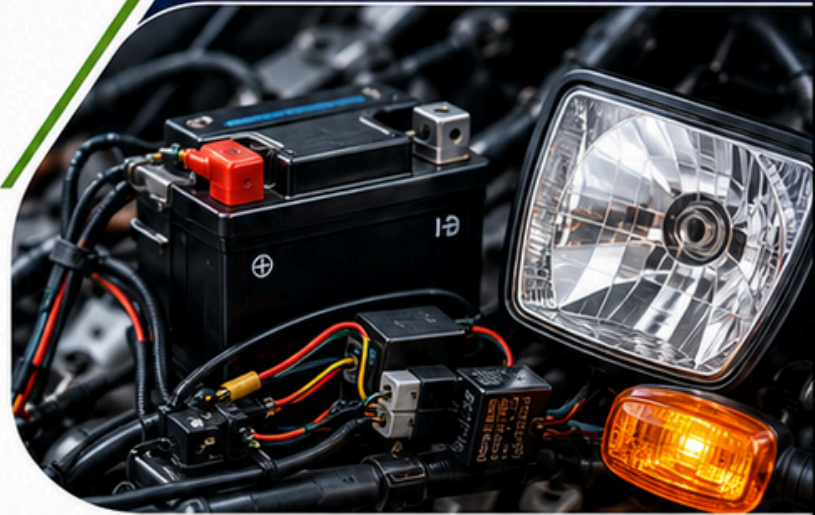

Tested for quality, strength and reliability.

TIMELY DELIVERY

On-time processing and global delivery you can count on.

ELECTRICAL PARTS

Our electrical parts are built for reliability, safety and consistent performance. Suitable for various two-wheeler models and tested for long life in all conditions.

HEAD LAMP

High intensity head lamps for better visibility and road safety.

- ✔ High brightness
- ✔ Shock resistant
- ✔ Long lasting performance

MOQ: 50 PCS

INDICATOR

Bright and durable indicators for clear signaling and safety.

- ✔ High visibility
- ✔ Durable lens
- ✔ Vibration resistant

MOQ: 100 PCS

TAIL LAMP

Durable tail lamps for effective braking and rear visibility.

- ✔ Bright illumination
- ✔ Impact resistant
- ✔ Weather proof

MOQ: 50 PCS

HORN

Loud and powerful horns for maximum alert and safety.

- ✔ Loud sound output
- ✔ Corrosion resistant
- ✔ Long service life

MOQ: 50 PCS

SPARK PLUG

High performance spark plugs for smooth ignition and better fuel efficiency.

- ✔ Quick start
- ✔ Better mileage
- ✔ Long life

MOQ: 100 PCS

CDI UNIT

Reliable CDI units for consistent ignition and smooth performance.

- ✔ Stable performance
- ✔ Heat resistant
- ✔ High durability

MOQ: 25 PCS

VOLTAGE REGULATOR

Maintains stable voltage and protects electrical system from fluctuations.

- ✔ High efficiency
- ✔ Overload protection
- ✔ Long service life

MOQ: 25 PCS

WIRING HARNESS

High quality wiring harness for safe and efficient electrical connections.

- ✔ Premium quality wires
- ✔ Heat & abrasion resistant
- ✔ Easy installation

DRIVE PARTS

Our drive parts are precision engineered for smooth power transmission, durability and high performance. Built to withstand extreme conditions and deliver long service life.

DRIVE BELT

High quality drive belts for smooth power transmission and longer life.

- ✔ High tensile strength
- ✔ Heat & wear resistant
- ✔ Smooth & silent operation

MOQ: 50 PCS

DRIVE CHAIN

Precision manufactured drive chains for superior strength and reliability.

- ✔ High load capacity
- ✔ Anti-rust & anti-corrosion
- ✔ Long lasting durability

MOQ: 50 PCS

SPROCKET

Hardened sprockets for efficient power transfer and longer life.

- ✔ Precision machined
- ✔ High wear resistance
- ✔ Perfect fit & finish

MOQ: 50 PCS

TIMING CHAIN

Durable timing chains for accurate valve timing and smooth performance.

- ✔ High precision links
- ✔ Heat & fatigue resistant
- ✔ Long service life

MOQ: 50 PCS

CHAIN TENSIONER

Reliable tensioners for maintaining proper chain tension and performance.

- ✔ Durable construction
- ✔ High performance
- ✔ Easy installation

MOQ: 25 PCS

CHAIN GUIDE

High quality chain guides for smooth chain movement and less wear.

- ✔ Wear resistant material
- ✔ Heat resistant
- ✔ Enhanced durability

MOQ: 25 PCS

DRIVE SHAFT

Precision engineered drive shafts for efficient power transmission.

- ✔ High strength steel
- ✔ Precision machined
- ✔ Long lasting performance

MOQ: 25 PCS

CUSH DRIVE RUBBER

High quality cush drive rubbers for better shock absorption and comfort.

- ✔ Vibration reduction
- ✔ Durable & flexible
- ✔ Long service life

MOQ: 50 PCS

PREMIUM QUALITY

Top grade materials for maximum performance.

APPLICATIONS

TWO WHEELERS

Reliable parts for smoother performance.

THREE WHEELERS

Durable components for daily reliability.

PASSENGER VEHICLES

Engineered for safety and efficiency.

COMMERCIAL VEHICLES

Built tough for heavy duty performance.

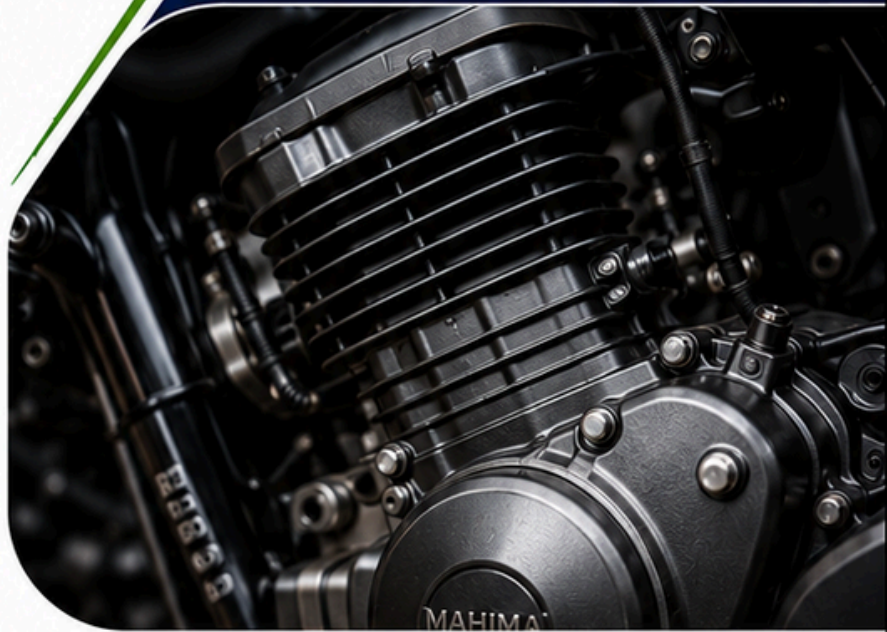

INDUSTRIAL & OEM

Trusted by industries and OEMs worldwide.

OTHER ENGINE PARTS

High quality engine parts for two-wheelers that ensure optimum performance, durability and smooth riding experience.

ALL PARTS ARE SUITABLE FOR
TWO-WHEELERS ONLY

CYLINDER BLOCK

Precision engineered cylinder block for better compression and long life.

- ✔ High strength material
- ✔ Excellent heat dissipation
- ✔ Wear and corrosion resistant

MOQ: 25 PCS

PISTON

Precision pistons for superior power and fuel efficiency.

- ✔ Light weight design
- ✔ High durability
- ✔ Better combustion

MOQ: 50 PCS

PISTON RING SET

High performance piston ring set for better sealing and longer life.

- ✔ Perfect sealing
- ✔ Wear resistant
- ✔ Heat resistant

MOQ: 50 SETS

ENGINE VALVE

High quality engine valves for smooth air-fuel intake and exhaust.

- ✔ Heat resistant
- ✔ High strength steel
- ✔ Precision ground

MOQ: 50 PCS

VALVE SEAL

Durable valve seals for effective oil control and longer engine life.

- ✔ Oil leakage prevention
- ✔ High temperature resistant
- ✔ Long lasting performance

MOQ: 100 PCS

MADE FOR TWO-WHEELERS

Specialized in two-wheeler parts for better performance.

PACKAGING & QUALITY ASSURANCE

ALL PARTS ARE SUITABLE FOR
AGRICULTURAL APPLICATIONS

We ensure that every product reaches you in perfect condition. Our packaging is designed to protect, preserve and deliver quality you can trust.

STRONG & SECURE

Durable packaging materials ensure maximum protection during transit.

SAFE HANDLING

Proper cushioning and shock resistance to prevent any damage.

QUALITY CHECKED

Every part is 100% inspected and verified before packing.

ON TIME DELIVERY

Reliable packing for timely and safe delivery.

ECO FRIENDLY

Environment-friendly packaging for a sustainable future.

OUR PACKAGING PROCESS

01 QUALITY CHECK

Each part is inspected for quality and accuracy.

02 PROTECTIVE PACKING

Parts are packed in high quality protective material.

03 BOX PACKAGING

Securely packed in strong branded boxes.

04 CARTON PACKING

Multiple boxes packed safely in export cartons.

05 READY TO DISPATCH
